## UX / UI DESIGNER
### 23 Years Old

## About me :

Hi im Yakoub a Passionate and innovative UI/UX designer with 3 years of experience creating intuitive and visually compelling digital experiences. Skilled in various design fields, I excel in user research, wireframing, prototyping, and interaction design. Proficient with industry-standard software including Adobe Creative Suite, Figma, Sketch, and InVision, I consistently deliver designs that enhance user satisfaction and drive business success. My collaborative approach and keen eye for detail ensure that I create solutions that are not only beautiful but also highly functional.
